MARTIN
COUNTY
REALTORS®
TREASURE COAST

July 24, 2018

Nick Blount
1360 Sandpiper Lane
Stuart, FL 34996

Dear Stuart Commissioner Nick Blount:

On behalf of the more than 1,000 members of Martin County REALTORS® of the Treasure Coast, we would like to congratulate you on earning the support of our organization.

As the county seat and home to an historic riverfront downtown, Stuart plays an essential role in Martin County's overall appeal. Its sustained success is vital for our region to remain an attractive destination for visitors and residents. That is why we place such significant value on institutional knowledge at the municipal leadership level—to provide consistency and reliability in how the city is governed and its assets managed.

Our Candidate Screening Committee was very impressed by all you offer city residents—particularly the quality of your professional experience and your history of community involvement in numerous charity and nonprofit initiatives. Given the chance to continue elected service, we are confident these and other attributes will provide invaluable leadership to the city as well as to your colleagues on the Stuart Commission.

Please feel free to cite our support in your campaign literature. We ask that you please describe it as “support,” as our organization refrains from using the word “endorse.”

We appreciate your service, thank you for your willingness to continue in this role and wish you success in the election ahead.

Sincerely,

H.B. Warren
President
